CALL TO ORDER

The meeting was called to order by Board Chairman, Doug Leech at 8:30 a.m.

CHAIRMAN’S COMMENTS

Mr. Leech commented on the outstanding recognition bestowed upon West Virginia University by the Morgantown Chamber of Commerce at a recent event, and noted that David and Susan Hardesty had been given the Earl E. Core award, the highest community award bestowed. He noted that the relationship between the town/community and the university is about as good as it has ever been.

EXECUTIVE SESSION

Mr. Barnette moved that the West Virginia University Board of Governors go into executive session pursuant to West Virginia Code §6-9A-4(2)(A) to discuss personnel and management issues. The motion was seconded and passed, and the Board thereupon met in executive session. Following the discussion, Mr. Wilkinson moved that the Board rise from executive session. The motion was seconded and passed.

RECESS

Chairman Leech declared the meeting in recess to allow committees to meet.

The meeting reconvened at 1:30 p.m. following the Visiting Committee Luncheon.

APPROVAL OF MINUTES

Mr. Wells moved that the minutes of the meetings of September 10 and September 28, 2004 be approved as written. The motion was seconded and passed*.

PRESIDENT’S COMMENTS

President David Hardesty gave a detailed report on enrollment and enrollment trends at WVU, its regional campuses and across the state. He noted in particular the 13% increase in headcount and the 17% increase in FTE since 1995 on all campuses. This includes a 22% increase in FTE on the WVU main campus. He noted that there are members of the student body from all 50 states and nearly 90 countries, and that all 55 West Virginia counties are represented. Average ACT and SAT scores exceed the national average and continue to increase. WVU’s tuition remains below the national average, while student assistance is growing rapidly.

Despite Challenges, WVU has attained significant increases in enrollment of students with higher and higher academic credentials from every state in the country, thanks in part to: quality programs, faculty and staff; program changes; improved retention; high school graduate increases in feeder states; successful relations with feeder high schools; targeted marketing; mountaineer parents club recruiting; and off-campus program offerings.

*Unless otherwise stated, all motions were passed unanimously.

COMMITTEE REPORTS

Audit Committee: Hank Barnette, Chairman of the Audit Committee, reported that the committee had met on November 4, 2004 with both the University’s Internal Auditor, and the External Auditor from Deloitte & Touche, and reviewed the financial statements, the plan for the ’05 audit, considered a policy regarding non-audit services, and reviewed implications of Sarbanes-Oxley Best Practices. He commended Dr. Rogers and Mr. Quigley on their great work with the audit committee, and congratulated everyone involved in the financial reporting process.

Executive Committee: Doug Leech, Chairman of the Executive Committee, noted that the committee had met on November 4, 2004 and heard a report from John Weete, Vice President for Research, and had no action items to report.

Academic Affairs: Stephen Goodwin, Chairman of the Academic Affairs Committee, deferred to Jordan Workman, who had acted as chairman due to Mr. Goodwin’s late arrival. Mr. Workman reported that the Academic Affairs committee had reviewed and approved the institutional compacts, heard a report on a new Student Leadership program, and received the annual report of the Provost. Provost Lang provided a synopsis of his report for the full Board.

Business Affairs: Parry Petroplus, Chairman of the Business Affairs Committee, reported that the committee had considered four action items, which they recommended be approved by the board, and heard reports on the status of the upcoming bond issuance and the annual report of the Vice President for Administration, Finance and Human Resources.

Health Sciences: Joe Lopez, Chairman of the Health Sciences Committee, noted that this had been the inaugural meeting of the committee, and that they had heard the annual report of the Vice President for Health Sciences, which included meeting all of the major administrators of the Health Sciences Center. They also heard a description of the steps taken to balance the budget, and of the success they have had in attracting outstanding, funded researchers.
**University Relations:** Steve Goodwin, reporting for the University Relations committee, reported they had received a very interesting annual report from Interim Vice President, Chris Martin. He noted her enthusiasm for the job, and the breadth of areas for which she is responsible. He commended her on the media campaigns and videos previewed for the committee.

**INFORMATION ITEMS**

Chairman Leech noted that the Board had heard the annual report of the Alumni Association at the Board dinner on Thursday evening.

Interim President Kerry Odell presented a short update on the progress being made to integrate Potomac State College into West Virginia University, their current enrollment trends, and plans for implementing their Facilities Master Plan.

Vice President for Administration, Finance & Human Resources, Gary Rogers reported for the record that the Audit of the Financials for FY 2003-2004 had been completed by Deloitte & Touche. He noted that there was no management letter this year, that the University has received a clean opinion, and that this has helped maintain the excellent bond rating recently achieved. He noted that the auditors praised the strategic direction being taken by the University, and reported that the Plan for FY 05 was on track.

Mr. Barnette moved that the Board accept the financial statements as presented. The motion was seconded and passed.

Chairman Leech extended the congratulations of the Board to the staff responsible for the financial records of the University. The staff who were present were introduced by Dr. Rogers.
